That mysterious girl... isn't there!!
A major incident!?

She didn't come for dinner yesterday, either...
Geez, where did she go?
Eh? It's not locked.
That's bad, Himeshiro-san! You can't just go in!
It's okay! We might find some clues inside!

What the heck is this?

!!
Ow ow ow...
.....
Hey, Hanasaka!? Are you okay!?
Hana-saka!!
Hey! Please! Get ahold of your-self!
I-I'm okay.
ほっ
Thank goodness ...

You saved me...
Th... Thank you.

It feels like Himeshiro-san
Has been saying thanks to me a lot lately.

Hmph! It's just because Shikishima-san is like that,
So if I don't say it, who else will!?

Shikishima-san, um...
Could you get off me already?
Hey, Hanasaka!!
Where do you think you're touching me!?
Hanasaka! You said you won't do anything weird to me, didn't you!?
Y... Yeah! I said that! I said that!!

Then what do you mean "something weird"!?
9
Then, what would you do if...
That's what I meant.
I-I won't do anything that girls would dislike.

If I didn't dislike it?
Th-Then...

I-
I don't know.

I was stupid for asking.
Yeah, yeah.

Wait for me! I'm going too!
We need to look for Shikishima-san right away!
Anyway, this isn't the time for this!

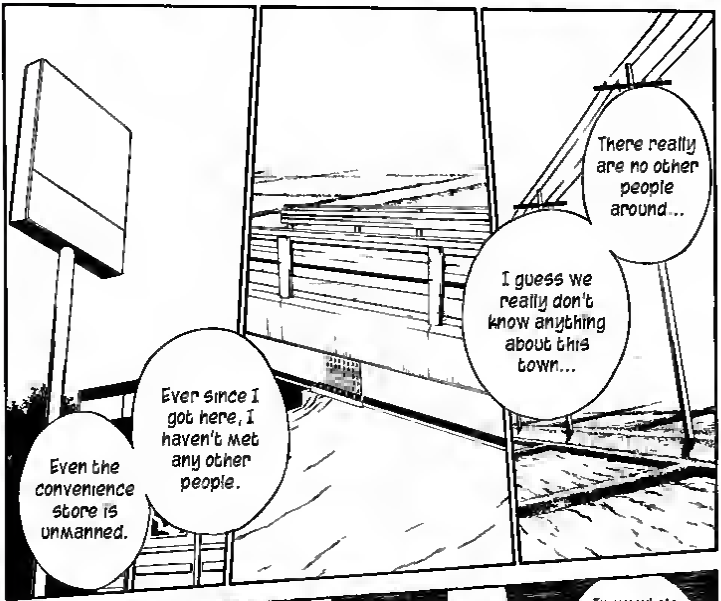
I called Tadano-sensei,
What do we do?
But he just said "Anyway, go to school."
I've got a bad feeling about this...
Is it just my imagination...?

This isn't the time to go to school!
We need to look for Shikishima-san!
Okay, let's look for her!

11

My, my~ It's unusual for Hanasaka, the honor student, to say things like that.
What are you suddenly saying with a serious face!?
Because Shikishima-san is almost as precious to me as Himeshiro-san, so...
Th-Then, let's go!

Wait for meeee!
Himeshiro-san!



There really are no other people around...
I guess we really don't know anything about this town...
Ever since I got here, I haven't met any other people.
Even the convenience store is unmanned.

In my whole life, this might actually be my first time being in an environment without any people at all.
The only time I've ever been really alone before was when I was in the toilet and shower.
Well, I was probably also monitored during those times, though.

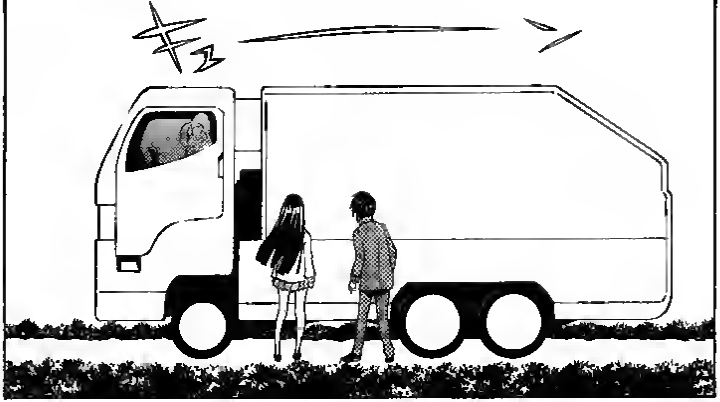
I didn't meet any other people.
I think I'm the opposite... When I lived with my grandfather deep in the mountains,

Ah, you mentioned that before, right? So that's what you meant...
That's why, after that, I was so surprised when a lot of adults suddenly came.

We don't know anything about each other as well.
Well, I guess that means Shikishima-san and this town aren't the only things we don't know about.

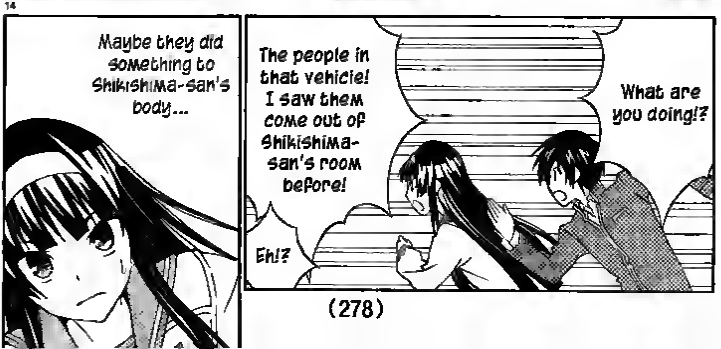
13

Anyway, let's stop talking about this nonsense! Let's go!
Yeah! That's why I want to know more about you, Himeshiro-san!



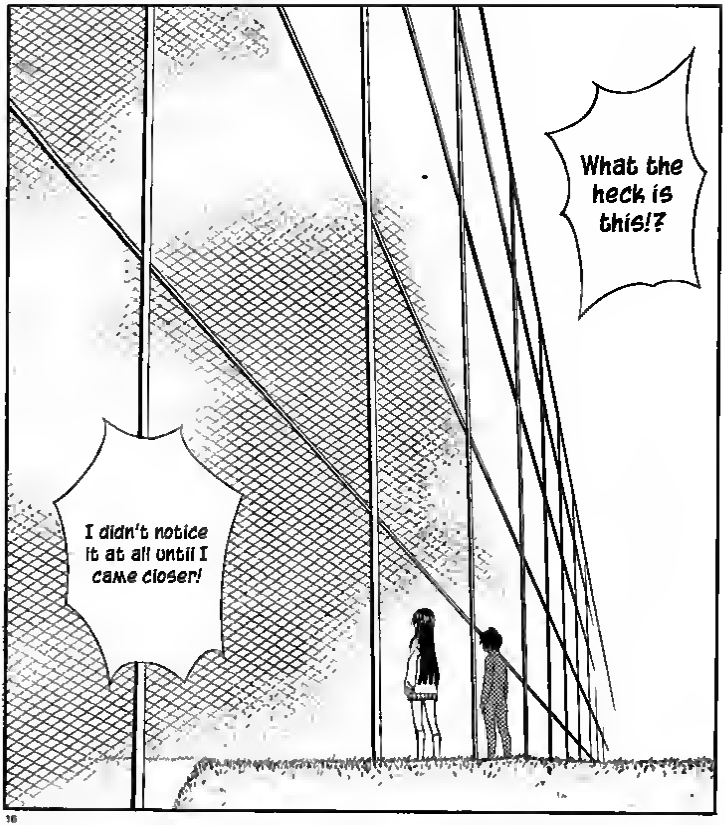
Himeshiro-san!?
Wai-
That's the second vehicle I've seen ever since I came to this town.

14

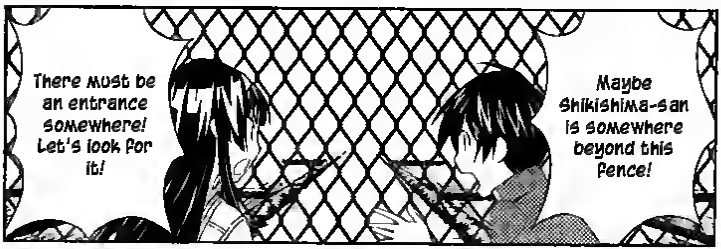


Maybe they did something to Shikishima-san's body...
The people in that vehicle! I saw them come out of Shikishima-san's room before!
Eh!?
What are you doing!?

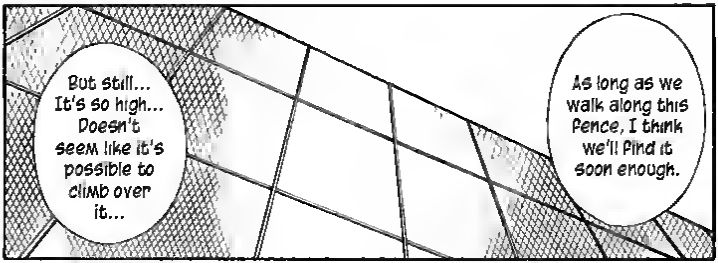
We can't see them anymore...
It's no use... We can't catch up to them...
Anyway, let's just follow this path.
Okay. They might have stopped somewhere, too.
What is it this time, Himeshiro-san!?
Himeshiro-sa...
What the heck...



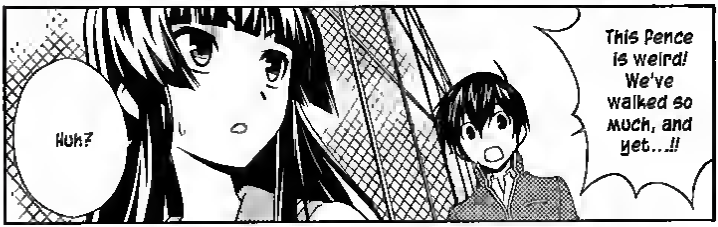
What the heck is this!?
I didn't notice it at all until I came closer!



There must be an entrance somewhere! Let's look for it!
Maybe Shikishima-san is somewhere beyond this fence!



But still... It's so high... Doesn't seem like it's possible to climb over it...
As long as we walk along this fence, I think we'll find it soon enough.



Huh?
This fence is weird! We've walked so much, and yet...!!

That mountain... It's always on our left side...?

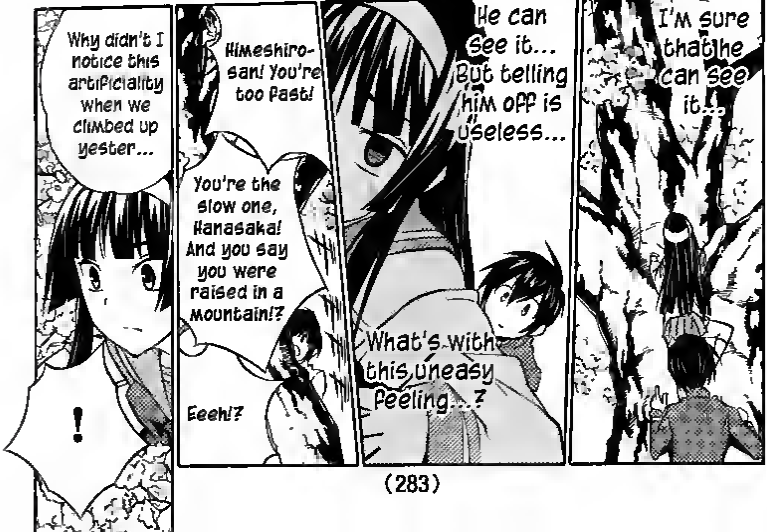
But, why did you suddenly say we should climb this mountain?
If we get on top of this mountain, we might see what's with that fence, right!?

There's so many trees... It's blocking the view. What do we do?
Isn't that obvious!?

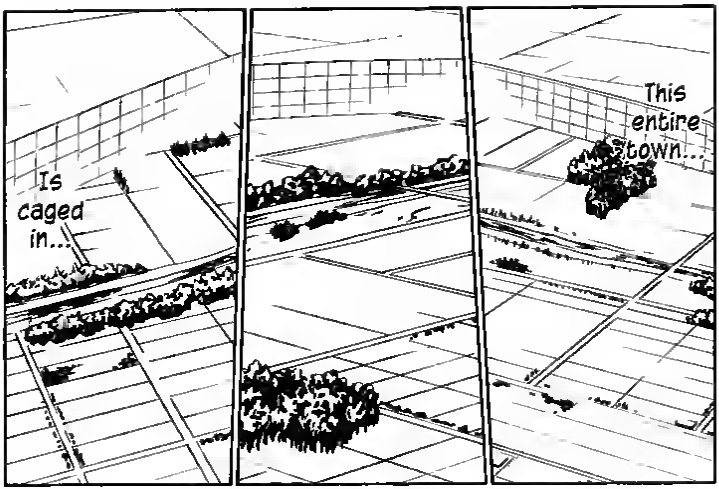
Wait for me! I'll climb too!!

We're gonna climb this sakura tree!!
Eh!?

?
Hanasaka! If you look at it, I won't forgi...
N-
Never-mind!



Why didn't I notice this artificiality when we climbed up yester...
!
Himeshiro-san! You're too fast!
You're the slow one, Hanasaka! And you say you were raised in a mountain!?
Eeeh!?
He can see it... But telling him off is useless...
What's with this uneasy feeling...?
I'm sure that he can see it...



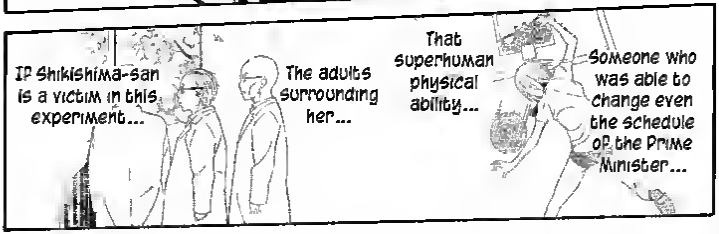
Is caged in...
This entire town...

We're the ones trapped inside this barrier!
It's not a problem of what's beyond the fence!

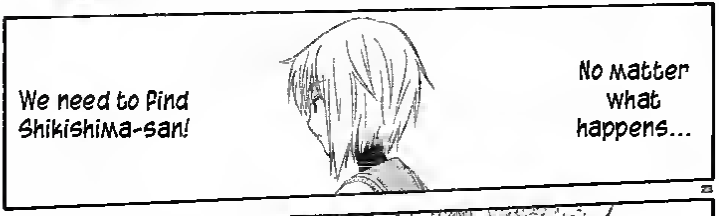
22

We're as good as prisoners.
In other words, we're birds in a cage.

I never thought it would be to this extent...
I knew they were plotting something bad, but...



If Shikishima-san is a victim in this experiment...
The adults surrounding her...
That superhuman physical ability...
Someone who was able to change even the schedule of the Prime Minister...

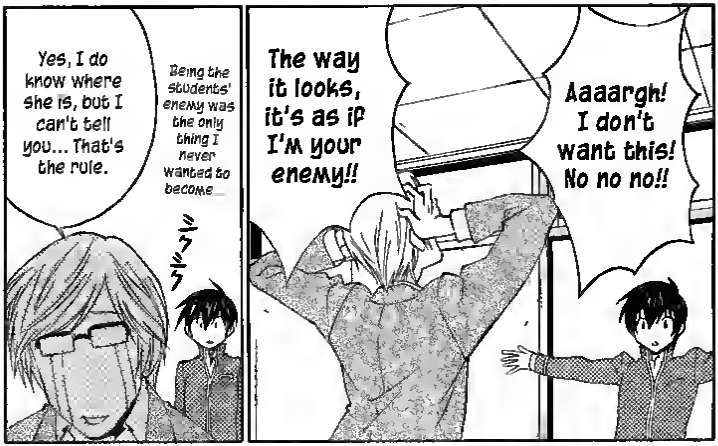


We need to find Shikishima-san!
No matter what happens...

At times like this, which one should we cross-examine?
Sigh... We're finally he-
What is that!?
Now then...

Hey~
You two are late!
Could you explain yourselves?
Eek!
Perhaps we should ask you to explain to us!
Where is Shikishima-san?

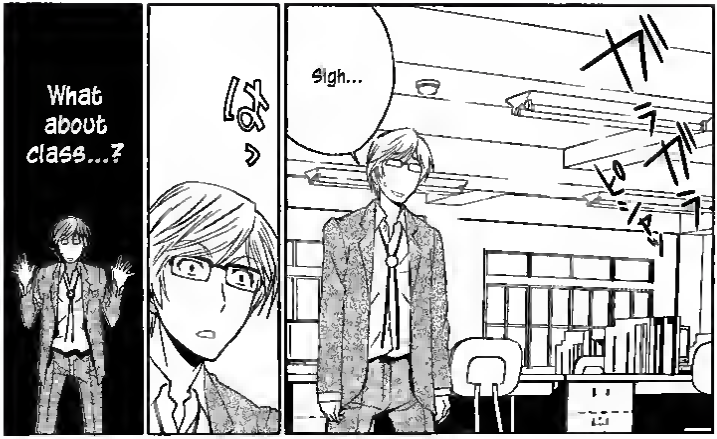
Well, I never once thought that you'd answer me honestly though!
Not only that! What is that fence surrounding this whole city!?
Oh, no- I forgot to prepare for class-
Don't run away!
25
At least tell us where Shikishi-ma-san is!
Please!
Hanasaka... Even you...



Yes, I do know where she is, but I can't tell you... That's the rule.
Being the students' enemy was the only thing I never wanted to become...
The way it looks, it's as if I'm your enemy!!
Aaaargh! I don't want this! No no no!!

I don't want you to take this the wrong way but, she's not "here", so don't misunderstand.
That's why, all I can tell you is that "Shikishima-san is near the school, so don't worry."

TL Note: just a = tada no = Tadano



What about class...?
Sigh...

Sensei said that "she's near the school, but she's not inside."
But he did tell us.
We can't figure out anything from that.
What'll we do now? All he told us was that she's near the school.
Eh!?

AROUND THIS AREA
FENCE
SCHOOL
MOUNTAIN
In other words, Shikishima-san is beyond the fence
In the place closest to the school.
Beyond that fence!?
How are we gonna get past it!?
Climbing it is impossible!!
But, is it okay to say this out loud?
That doesn't matter anymore!
We're being monitored, right?
Anyway, let's go back to my room for now!

Himeshiro-san, what on earth is this!?
This!
And this!
And this!
Cracking
Intelligence
Terrorism
軍事教練
破壊工作
Umm... Himeshiro-san...?
I planned on playing along with your game for a little longer, but...!
29
Don't you think it'd be bad if they find these thi...
They're probably watching from somewhere anyway! You damned old people...!

I'll show you something you don't have: the soul of a samurai's descendant!!

Break through...? You mean...!
Th-
Th-
As a person, not doing something when you have the knowledge and righteousness to do it is the same as not having any courage!
If climbing is impossible, then we'll break through it!
Himeshiro-san...
What's the word for it? It's not tsundere.

32

TL Note Japanese proverb

Hey! Let me go!!
Let's think of some other way!
Take that hand away from me!
Besides, where are you touching!?
No! Until Himeshiro-san stops, I won't let go!
Stop touching my chest first, Hanasaka!!
Just let go already!
It's bad!
I'm back.
The bad one is you!!
Nooo!!

Shiki-
Shima-
San!!

Where have you been!?
Look at your clothes! Are you hurt!?
Adjust-ment.

34

Adjust-
Ment?

GRUMBLE
グー

You're not supposed to reply to that with your stomach!!
I'll go make dinner!!
35

You don't even know how we felt! We were really worried about you!!
Last night, I collapsed due to poor health.
I was carried to the Exclusive Group's Facility.
I regained consciousness three hours ago.
There was an obstruction, but I surpassed it.
There, I was subjected to adjustment.
Apologies for worrying you.
Halfway back, I met that cat and went home with it.

Like I said, adjustment.
...Wait, Shikishima-san!?
You can talk properly!!

Geez, you're so shrewd!
You've been pretending the whole time, haven't you!?

Even if we say no, you'll keep it anyway, right?
Anyway, we need to think of a name for this kitten.
Well, at least you're safe.
That's all that matters.
!!
I get it! I get it already!!
SFX: NOD NOD NOD

Eh!? Shikishima-san, you're gonna keep that cat?
Have you decided on a name already?
Cat.
What's with that name!?
Can't you think of anything else?

What kind of name is "Seconds"!? Geez, anything else?
More?
Then, already full.
Then, more.
Seconds.

37

But, I'm really glad
That Shikishima-san came back.

It really is nice with three people here.
Four people.
Three people and one animal!!
